

NCATA Scholarship Program

The NCATA Scholarship Program provides financial awards annually to the children of regular NCATA members who are pursuing higher education. The scholarship application process is open annually from September through mid-February. Application packets are available during that time period, through committee members and on the NCATA web site, www.teacherassistants.org.

Selection Process

Three major factors are considered in awarding scholarships to applicants who meet the Eligibility Requirements:

1. Academic excellence;
2. Personal qualifications (as shown in applicant statement and in letters of recommendation - may include leadership, athletic ability, extracurricular, service work, and/or a combination of all of this and more); and
3. Evidence of financial need.

Eligibility Requirements

All applicants shall be considered without regard to race, creed, religion, national origin, sex, or handicap. The following items are required for all scholarship applications:

- Applicant should complete and return application and all required attachments, including recommendations, official transcript, applicant statement, and proof of legal guardianship (if necessary) no later than the stated due date.
- Applicant must be the son, daughter or legally adopted child of a regular NCATA member (employed teacher assistant) in good standing. Stepchildren, grandchildren, and other applicants in custodial guardian arrangements are eligible if they live with the NCATA member in a regular parent-child relationship and can provide proof of legal guardianship.
- Applicant's parent must be a regular member in good standing of NCATA for at least two consecutive years prior to making application.
- Applicant must be either a high school senior or be attending college, having received a diploma or GED equivalent.
- Applicant must be a full-time student, and cannot be older than 23 years of age at the time of application.
- The applicant must be enrolled in or plan to attend a state-accredited school in any subject area, including, but not limited to, cosmetology, dental assistant, auto mechanics, RN, LPN, early childhood education for day care, etc.
- The applicant must have a minimum un-weighted grade point average (GPA) of 2.8 or higher.
- The applicant should be a resident of North Carolina.
- Applicants may apply for the NCATA Scholarship more than once as long as they meet these eligibility requirements each time.

Applicants must send completed applications and all attachments to:
NCATA Scholarship Fund, PO Box 334, Welcome, NC 27374
By February 16, 2019.

Terms of Award

- Members of NCATA's Education & Human Relations Committee are considered the official scholarship judges for these awards. They award scholarships from among the eligible applicants at their spring meeting, in amounts not to exceed \$1500 per applicant. The total amount of scholarship awards shall not exceed the amount of funds raised by the E.H.R. Committee. Decisions of the judges will be final.
- NCATA recognizes Scholarship award winners at NCATA's annual awards banquet, typically held in April-May of each year. NCATA provides one night's lodging and one banquet ticket to each scholarship winner, along with a printed certificate of their award. Scholarship winners may bring paying guests to the banquet.
- The Education and Human Relations Committee Chair and the President authorize the disbursement of scholarship funds. No money is disbursed directly to the scholarship recipient. NCATA shall disburse award money directly to the state-certified institution's financial office. Award money is to be used for payment of tuition, fees, special insurance, and purchase of textbooks and instructional supplies required by all students enrolled in the program or curriculum in which the scholarship recipient is enrolled. (Required tuition fees and textbooks are defined as those fees prescribed by the school catalog and the required book and supply lists published quarterly by the institution. Instructional supplies are defined as those supplies normally required to be purchased in order to complete the courses of study in which the recipient is enrolled.)
- In the event the student withdraws from attendance or ceases to be eligible for the scholarship, the unused funds will automatically be returned to the NCATA Scholarship Fund.
