

Proposed Guidelines for NCATA Membership All-Star Awards

1. Must be a regular teacher assistant member to participate in the contest.
2. Contest begins on July 1st and ends on December 31st of each membership year.
3. Contest is based on the number of NEW regular members (working teacher assistants) and NEW associate members (*two associate members equals one regular member for contest counting purposes*) who join and pay before the deadline of December 31st using the “recruited by” line in the membership form.
4. Each member who joins 10 or more members will receive a \$25 Walmart gift card and be recognized at the annual conference.
5. The member who gets the most new members before the deadline will receive a \$100 Walmart gift card and be recognized at the annual conference.

NEW members are members who have never been members of NCATA previously. Former members who have lapsed and then renew do not count in this contest.
